

Dear Members,

August is known for many things, including National Watermelon Day (Aug. 3) and National Smile Week (Aug. 5-11). The month of August is often referred to as the "dog days of summer" but not because of pet pooches. It has to do with the star Sirius, also known as the dog star, which rose at the same time as sunrise during the month of August in ancient Roman times.

"Everything good, everything magical happens between the months of June and August."—Jenny Han

The Carillon Burger Night

The Carillon – Thursdays this Summer

Join us on Thursdays in The Carillon for our Burger Night special - \$20 for a Carillon Burger and a great glass of Texas red wine. The decadent burger is made of beef from 44 Farms, house-cured bacon, grilled onions, tomatoes, and cheddar on a house-made everything bun. Yep, it's as good as it sounds!

Gabriel's Cafe

Real Ale Seasonal Beer

Come try Real Ale's Seasonal Release Gose, German-Style Wheat Beer. Gose is a rarely brewed regional specialty beer from Northern Germany. A slightly sour wheat beer, it's known for hints of coriander and a unique saltiness that is derived from the local water source. As a twist on the original, Real Ale adds fresh lime juice to their version after fermentation. The result is a delightfully tart and refreshing beer to help you slug it out with even the hottest of Texas summers. Come enjoy this limited beer and remember that Campus Club members receive their first drink on the house every Thursday from 4pm-midnight!

We are Texas

HausBar Urban Farm and GuestHaus

The Carillon is proud to support our local farms and ranches. We source our produce and poultry from a neighborhood farm in Austin, Texas. HausBar Urban Farm and GuestHaus is a sustainable urban farm in East Austin growing vegetables and offering vacation rental space, day camps, and workshops.

They are home to two donkeys, hundreds of chickens, dozens of rabbits, some geese, a few ducks, three pet birds, two humans, and lots of fresh air and sunshine.

The Carillon Team visited the farm, and you might see a familiar face in the picture from our field trip. If not, come in for dinner and get to know our team!
